### C. Best Practices Essay

**NOTE: This is the most critical part of your award entry!**

Please describe and explain why your project is considered a best practice in the category to which you are applying to. Judges will evaluate your essay according to four criteria. Please organize your essay to address the judging criteria in the order discussed below.

1. **Business Impact:** Explain the value created for the organization, workforce, community, environment, or industry.
2. **Maturity** Describe the extent to which the project has been implemented and sustained.
3. **Relevance:** Explain how the project can be adopted or replicated by other organizations.
4. **Innovation:** Describe what differentiates this project from conventional approaches.

1) **Business Impact (200 words):**
